

Coaching Packages

Individual Coaching Package

This package is for people seeking professional development through a strategic coaching relationship. It begins with a comprehensive startup phase in month one and then continues through subsequent months.

THIS PACKAGE IS BEST SUITED FOR ANY OF THE FOLLOWING:

- ✓ Director- and executive-level leaders
- ✓ 360 assessment participants
- ✓ Career promotion candidates
- ✓ High-potential mid-level managers

Investment:

\$1,500 month one
\$750 per subsequent month

Leadership Transformation Coaching Packages

This package works best for people who want to deeply explore the root cause of a single professional development challenge, own the transformation journey to improve in this area and become a role model for others within the organization.

THIS PACKAGE IS BEST SUITED FOR ANY OF THE FOLLOWING:

- ✓ Director- and executive-level leaders
- ✓ Succession plan candidates who need to grow and develop in a particular area
- ✓ High performing individuals struggling to move into leadership or manager-level roles

Investment:

\$1,500 first coaching session
\$750 per subsequent coaching session

Team Coaching Packages

Team coaching is the fine art of using facilitation and a real team challenge to maximize the performance and engagement of a group of people working together to deliver meaningful outcomes.

THIS PACKAGE IS BEST SUITED FOR ANY OF THE FOLLOWING:

- ✓ Newly-formed teams
- ✓ Teams requiring intervention and ready to address the root cause(s)
- ✓ Project teams who are bottlenecked or performing below their potential
- ✓ Teams requiring particular skill building, such as decision-making, communication or conflict resolution, who are ready to learn how to develop

Investment:

\$7,500 total cost

*Pricing is for teams of ten or fewer team members. Additional costs for teams comprised of greater than ten members.
